CADRE Health & Dental Benefit Programs: Starter, Basic and Plus Plans

Welcome to the CADRE Health & Dental Benefits Program!

We know that filling out insurance applications can sometimes be confusing and complicated, so we've made every effort to make enrolling in these plans as quick and simple as possible. Please use the checklist below to guide you through the application process - it will help you to complete the application accurately and allow us to process your information as quickly as possible.

Which Application kits do you need?

There are two separate sets of documents used to apply for coverage. You may need only one, or both. One (this kit) covers your **Health & Dental Plan** choices, and includes a description of the three available plans (**Starter, Basic or Plus**), an **Application Form** and a **Personal Health Declaration**.

A second Application kit is used for the **Disability / Income Protection Program**.

How to Complete the Health & Dental Application:

1. First, read the Health & Dental Plan brochure and refer to the Plan Summary on page 2 to decide which of the three plans (Starter, Basic or Plus) is right for you.
2. Proceed to Section 1 of the Application for Insurance and provide the requested General Information (ie Name, Address, Employment information, etc.)
3. In Section 2, you need to **indicate your Coverage Selection (ie Single, Couple, Family) and your Plan Choice (Starter, Basic or Plus, with or without Optional Benefits) and whether you want only Extended Health Care, or Extended Health Care PLUS Dental Coverage.**
4. **Section 3 requires you to provide name and birthdate information for your Spouse and Dependent Children.** If your Spouse also has health or dental coverage through his/her workplace, please provide information about their plan.
5. **In Section 4, please Sign and Date the Application Form.**
6. **For the STARTER Plan:** In Section 6, on page 2, find the Base rate (Single or Couple) for your Age band. Then, if applicable, add the Per Child amount for any children based on their age.
7. **For the BASIC or PLUS Plans:** Also in Section 6, on page 2, you'll find all of the possible monthly rates for the Basic and Plus Programs. The amount of numbers here can appear confusing, but don't worry, you only have to find the one number that applies to your Age Group and your chosen coverage. Start by locating the section that applies to you: Single or Couple, Two-Parent Family or Single-Parent Family. Next, look for the coverage you've chosen (EHC Only or EHC + Dental), and find the column that matches your Program choice (Basic or Plus). Finally, find the monthly rate in that column that corresponds to your Age Group, and copy that number to Box (1) in the lower right.
8. **Section 7: Optional Benefits** - You can supplement your coverage with Optional Critical Illness Benefits and Optional Accidental Death & Dismemberment Insurance (Optional Disability / Income Protection Insurance is also available but requires a separate application form). **For the Optional Critical Illness Benefits**, choose a benefit of \$10,000, \$25,000 or \$50,000 for you and/or your spouse, and copy the amount for your age band and smoker/non-smoker status to the line at right. **For the Optional AD&D Insurance**, circle the amount of coverage you require and then select either the Single Plan or Family Plan. You must also complete the Beneficiary Designation section.
9. **Section 8: Calculate your Monthly Cost** - Add the amounts from Boxes (1), (2), (3) and (4) and write the total in the box at right. This amount represents the monthly cost of your Health & Dental Benefits, and is the amount that will be withdrawn from your financial institution on a monthly basis. **IMPORTANT: To enable these monthly withdrawals YOU MUST ATTACH A CHEQUE MARKED "VOID" TO YOUR APPLICATION.**
10. **Finally, you must complete in full the Personal Health Declaration in order to be approved for coverage.** Provide the Applicant and Dependent information requested, and answer all questions in the Health Declaration accurately, including the name and address of your regular doctor or medical clinic. **It is particularly important that you complete Section 3, providing details for any questions for which you have answered "YES" in Section 2. An incomplete Personal Health Declaration will be returned, and this will delay the processing of your application.**

If you require assistance, please contact us at one of the numbers below:
