

Company Health & Safety Policy

Cadre is committed to a safe and healthy working environment for all of its employees and field staff including protection against accidental loss to its employees and property.

In fulfilling this document, we will provide and maintain a safe and healthy work environment as indicated by acceptable industry practices and compliance with legislative requirements and we will strive to eliminate any foreseeable hazards which may result in fires, security losses, damage to property and personal injuries/illness.

Accidental loss can be controlled through good management in combination with active employee involvement.

Management and employees will comply with loss prevention requirements as they apply to the Company's operations and facilities. All employees will perform their jobs properly in accordance with established procedures and operating practices.

We trust that all of you will join in a personal commitment to loss prevention as a way of life in our Company and on the job site.
